COMPANY OVERVIEW

Chazaq Consulting, LLC is a strategic business and social enterprise consulting firm dedicated to empowering entrepreneurs, nonprofits, small businesses, and community-based organizations. We provide expert consulting, entrepreneurship education, strategic planning, grant development, project management, AI automation solutions, and government contracting support — helping clients achieve sustainable growth and measurable impact across federal, state, local, corporate, and nonprofit sectors.

WHY CHAZAQ CONSULTING

Customized solutions tailored to each client's specific goals and sector needs

Dual expertise serving both nonprofit and for-profit organizations

Integrated consulting, training, and funding readiness under one roof

Specialized focus on underserved & minority-owned business development

Hands-on implementation support — beyond strategy to execution

Proven record in securing grants, sponsorships & funding opportunities

PAST PERFORMANCE

- ✓ Supported nonprofit startups through organizational development and strategic planning
- ✓ Assisted organizations in securing grants, sponsorships, and funding opportunities through targeted proposal development
- ✓ Delivered entrepreneurship and business development training programs for diverse audiences
- ✓ Facilitated community partnerships and stakeholder engagement initiatives driving measurable outcomes
- ✓ Provided project management and organizational capacity-building services for community-based organizations

LEADERSHIP

Dr. Christina Anagonye, M.D., M.B.A. Founder & Chief Executive Officer

Business consultant, social entrepreneur, and organizational development leader with expertise in strategic planning, fundraising, entrepreneurship education, workforce development, and community impact. Past recognition includes the **Founder Forward Michigan Innovation Fellowship** (Health Tech Cohort), **Center for Social Enterprise Development** Social Enterprise Collective, and **Flint ReCAST Inaugural Cohort**. Funding secured through the Community Foundation of Greater Flint, Greater Flint Health Coalition, Michigan College Access Network, Ancor Foundation, and MACAE.
